"MY PEARL OF PARADISE"
By Jesse G. M. Glick.

-1-

Last night while I lay sleeping
I dream'd of Heaven so true,
For joy my eyes were weeping,
My dream was all of you.

-2-

Your heart pledg'd to my keeping,
Your fondest kiss was mine
In my sweet dream of Heaven
Which God, dear, made devine.

Refrain:-

Oh sweet was my dreaming
You were the grandest part,
No Angel there
Was as dear and fair,
No eyes devine
Shown bright as thine.
Out of this glad seeming
You seem to speak and start
I realize
God gave me his prize
My Pearl of Paradise.
